

# 2023 PERFORMANCE TEAM

*An additional opportunity for our recreational students (aged 8+) who wish for more performance opportunities, without the pressure and commitment of our competitive teams.*

## **PERFORMANCE TEAM**

To be eligible to be apart of our Performance Team, students are required to attend a minimum of 2 classes at Step in Time per week, including at least 1 x Jazz or Ballet class. The Performance Team rehearsal class must also be taken in addition to those 2 classes.

The Performance Team does not participate in competitions, however will have the opportunity to perform at various events throughout the year, including the iconic Moomba Parade, and The Royal Melbourne Show.

The Performance Team is a great opportunity for our recreational students to become more involved and enjoy more performance opportunities throughout the year.

## **REHEARSAL CLASS**

**Thursdays, 5.45 - 6.30pm**

In addition to your regular classes, students must attend this weekly rehearsal class, where they will prepare routines for upcoming events.

This class is included in our regular fee structure.

## **COSTUMES**

Costumes will need to be purchased in Term 1, and will then be worn throughout the year at events, as well as our End of Year Concert.

(most likely 2 x costumes - \$60-\$80 each)
