PRIVATE LESSONS

Weekly Private Lessons are recommended for our soloists. In some cases, fortnightly lessons may be an option for duo's and some solos.

Private Lessons will be scheduled dependent on teacher and studio availability, and worked into your family schedule as best as possible.

For soloists who have multiple solo routines (recommended for ages 10 & above):

A weekly 'solo rehearsal' class will be scheduled, New choreography and solos can then be learnt as required by various teachers, and rehearsed in your 'solo rehearsal' class. The amount of time required to learn a new solo will be dependent on each individual student.
